Skills: Full-Stack Web Development | UI/UX | HTML | PHP | JavaScript | ASP.NET | C# | MySQL | SQL Server | OOP | REST APIs | ABAP Cloud | SAP Fiori | Flutter | Game development | E-Marketing

Executive Summary

Computer Information Systems junior with a passion for technology, continuous learning, and problem-solving. Motivated, adaptable, and ready to take on new challenges while working well with others. Through academic projects, Internships, and training, I have developed strong team work and solo tasking, communication, and problem-solving skills. I am seeking an opportunity to grow professionally, contribute to a team, and gain valuable practical work experience.
